

MEDIA 2018

**SCHÜTTGUT
& PROZESS**

*October 2006 till September 2017
the magazine was named SILO WORLD*

SCHÜTTGUT & PROZESS

SCHÜTTGUT&PROZESS is the leading information Magazine in German-language for bulk material handling industries.

this highly reputed magazine provides practising specialists with cross-sector information about the latest trends, developments and solutions in bulk handling technology as well as mechanical and process engineering problems related to production, processing and the transport of all kinds of granular materials, ranging from coarse to powdery.

SCHÜTTGUT&PROZESS covers all aspects of the entire world of bulk materials handling. Main topics include conveying, transport, storage and transshipment, as well as processing, conditioning, dosing and characterisation of mineral and organic materials. Important further topics are process automation, energy reduction, measurement and control technology and quality assurance.

SCHÜTTGUT & PROZESS

SCHÜTTGUT&PROZESS reports about:

- ▼ Conveying, transport, storage
- ▼ Mixing equipment
- ▼ Size reduction machines and accessories
- ▼ Drying of powders and bulk solids
- ▼ Dosing
- ▼ Container emptying equipment
- ▼ Vehicles
- ▼ Silos and silo equipment
- ▼ Loading and unloading equipment
- ▼ Filling equipment
- ▼ Wear and abrasion protection, coatings
- ▼ Weighing equipment and accessories
- ▼ Separating, screening, filtering
- ▼ Sampling equipment
- ▼ Services
- ▼ Particle analysis and characterisation
- ▼ Measurement and control devices and accessories
- ▼ Safety and environmental technology

1/2018

Deadline for articles:
08. January 2018
Booking deadline:
12. January 2018
Publication date:
29. January 2018

Topics

DSIV Innovation Summit ; Solids Zurich
Dosing and Filling / Storage technology / Container and Silos / Sieving / Sliders and Valve / Filter technology

2/2018

Deadline for articles:
16. February 2018
Booking deadline:
22. February 2018
Publication date:
12. March 2018

Topics

Anuga FoodTec, Cologne;
Explosion protection / Weighing technology Packaging technology / Mechanical and pneumatic Conveying / Sorting / Hygienic engineering / Food processing

3/2018

Deadline for articles:
21. April 2018
Booking deadline:
04. May 2018
Publication date:
17. May 2018

Topics

special issue * : **ACHEMA**, Frankfurt;
Measurement and Automation/ Crushing and Grinding / Plant engineering / Fire and Explosion Protection / Recycling / Conveying systems

The logo for ACHEMA 2018, featuring the text "ACHEMA2018" in white on a dark blue rectangular background.

4/2018

Deadline for articles:
26. July 2018
Booking deadline:
06. August 2018
Publication date:
22. August 2018

Topics

Level measurement / Silo accessories / Bagging machines
Packaging technology / Sliders and Valves / Conveying systems and transport

5/2018

Deadline for articles:
27. September 2018
Booking deadline:
04. October 2018
Publication date:
22. October 2018

Topics

special issue * : **SOLIDS**, Dortmund;
Belt conveyors / Moisture measuring / Discharge systems
Weighing technology / Plant engineering /

SCHÜTTGUT&PROZESS is a highly cost-effective advertising solution in the bulk material industry. Advertising in **SCHÜTTGUT&PROZESS** magazine and its other products plays a critical role throughout the buying process and is a highly effective medium for making contact with your potential customers.

Frequency:

5 issues per year + 1 special issue - Number of pages: 52 pages

* Increased number of pages in exhibition issues

Circulation:

5.000 copies * Exhibition issues 7.500 copies

Distribution:

German speaking Countries. -Germany, Austria, Switzerland

Advertisement rates and formats:

Format	bw	4c
